Customer Reviews

Much bigger than the words "pocket dictionary" implies. Missing a LOT of basic words that my grade-schooler is assigned for vocabulary.

Many common words are not included. I use this dictionary while tutoring a first grader and have been very disappointed that many of the words we look up aren't included.

Not much to this book but the illustrations are nice. Somehow I had expected a more interesting storyline.

This book is perfect for any young lady who is into the Lalaloopsy dolls. The dolls are so popular; so this book complements the dolls and is a quick easy read. It has eye popping, colorful illustrations.

Yes, it met our child's needs. Lighter to carry around than others. Able to carry in backpack.

My niece uses it in school everyday. We're thrilled with how comprehensive it is. Thank you!

just what she needed for school, fast shipping, great price

Very quickly deliver ,as the teacher requested, new.
