Customer Reviews

We were so excited to get this textbook. It arrived right on time and the book was in very good condition. The material in this book is very well layed out, and we are having a great learning.

Great to have this book at home, it is big and heavy, now my child does not have to carry her school book home and can study and finish lessons.

disappointed in book quality. i would rate it "acceptable" at best. still able to use, so we will. thanks.
