How To Win At Strip Clubs

Synopsis

America used to be a country about winning. Democracy over totalitarianism; capitalism over socialism; TV over reading. All of them, America conquered at one time or another. While we may have lost this winning spirit, I, Jack Stig, say it's time for a comeback. And like any good revolution, we all must take up arms. Me, you, everyone. That's why, in my own small way, I have written this book for you America. This book is, "How to Win at Strip Clubs."
