Boy's Club

Synopsis

This collection of slacker psychedelic comics spawned a thousand Internet memes. Cartoonist Matt Furie's deadpan comics showcase slacker roommates Andy, Brett, Landwolf, and Pepe in a series of comical vignettes combining laconic psychedelia, childlike enchantment, drug-fueled hedonism, and impish mischief. The perpetually insouciant glaze of his characters belie the sharp verbal and visual wit of Furie, who delivers a stoner classic for the Tumblr generation. In fact, Furie's wildly popular teenage weirdoes became an overnight internet sensation when Pepe the Frog was widely adopted by users of 4chan and remixed ad infinitum from there (including uses by pop stars like Nicki Minaj and Katy Perry), giving Boy's Club built-in recognition with many. A spiritual cousin to Simon Hanselmann's Megahex and JoËn Cornella's Mox Nox, Boy's Club's sense of humor will especially resonate with fans of stoner comedies and black humor. Monochrome illustrations throughout

When I first encountered this comic, I thought it was just plain bizarre. And I still think so, but there's a lot more to it than that. It presents a portrait of life as a twenty-something stoner with similarly-inclined roommates. The characters' lives flow from one pointless moment to the next. They eat day-old pizza, watch crappy movies all day and fart a lot. It's honestly pretty great. Pepe the Frog, the subject of an insanely popular meme, originated in this comic. See him in his good-natured, high-all-the-time form, before the alt-right hijacked him and made him a symbol of white supremacy.

Matt Furie delivers a wonderfully entertaining experience.

I ended up purchasing one for myself and a friend. You should do the same. The single issues have risen in price so here's your chance to read them all without going broke.
