Goodnight, Ark

Synopsis

Beds are ready. Food is stored. Noah hollers, "All aboard!" It's bedtime on Noah's ark, but the animals can't sleep because of the storm. Two by two, they crowd into Noah's bed, creating a sticky situation. Will Noah ever get them back to their own beds? Climb aboard the ark for this rollicking, yet ultimately restful bedtime story as Noah finds a way to make things calm and cozy, even in the midst of a storm. Age Range: 4 - 8 years

Grade Level: Preschool - 2

Customer Reviews

Goodnight Ark by Laura Sassi is an adorable retelling of Noah and his ark. When I first heard of the book, I thought it would be very similar to Goodnight Moon, but it isn't. Goodnight Ark is a rhyme of its own, full of all sorts of fun animals. Of course there are the elephants and tigers, but there are also skunks, boars, and quail. All the animals are getting ready for bed. Noah tells them to find their beds, but the animals have their own idea about where they are sleeping for the night. I loved reading this book to Jimmie, who is 15 months old. He really loves the page with the skunks and enjoys trying to touch the elephants tusks. I laughed while reading the book the first time around; it is so cute and silly. There is a lot of onomatopoeia (sound words), repetition, alliteration, and rhyming, which is great for young readers; the more words they hear while they are young, the

easier it will be for them to read when theyâ™re older. Goodnight Ark reminds me of a Dr. Seuss book. Goodnight Ark doesnâ™t reference God or any other spiritual values, it just shows a moment in time on Noahâ™s Ark. It leaves the story open ended for parents to elaborate to their children and discuss the true story of Noah. Jimmie is a very picky reader, if he does not want to sit through a book, he wonâ™t. Him sitting through a book means he likes it, therefore Goodnight Ark gets an A+ according to his standards. (And mine as well!) It will be a new staple in our goodnight book routine. This book would be good for any young reader from birth+. The illustrations by Jane Chapman are beautiful; the colors are vibrant and bold. I was blown away by the modern take on Noahâ™s Ark in this childrenâ™s book.
