The Gospel Of Thomas Fully Interpreted: The Truth Will Set You Free

Synopsis

This amazing book contains the first and only, complete and accurate interpretations of the secret sayings of Jesus, as recorded in the Gospel of Thomas. The Gospel, whose content was deemed so dangerous to the authorities rule that a concerted effort was made to wipe it from the face of the earth, along with those who taught it. Fortunately a copy of the Gospel of Thomas was discovered in Nag Hammadi, Egypt in 1945, and although it was beyond the ability of the clergy to interpret the sayings, they saw in it enough of a threat to their authority that they declared it heresy. But was it heresy, or a Truth that was feared? Now you have the unique opportunity to read about what Jesus was really teaching, and what he meant when he said; "The truth will set you free"™. What is revealed in this book will shake the very foundations of the Church, and will lead to a new understanding of all Biblical esoteric teachings, from Genesis to Revelation. Could this be the change that the world has waited for? Will it at last have ears to hear and eyes to see? Are you destined to rule over the All?

Jesus said he spoke in Parables so the spiritually blind would not destroy his message just as the old testament spoke in parables, that is how scriptures from the bible have lasted the test of time, because if the people with greed and power in there hearts new the real message, even the bible would have been destroyed. The true meaning of all scripture has been hidden; because it has been interpreted literally, when all scripture is a parable for spiritual things with a deeper hidden meaning. William interprets the gospel line by line for the true meaning, not just a general

conversation of the text. This Author is truly blessed and wants to share his knowledge with anyone. At his web site; which is the same as the full title of this book, his life story called (My Enlightenment) is quite inspiring and many other writings as well. His true interpretations of the parables will open your heart and mind like know one could ever do. I have spoken to William in emails and he is a wonderful person who is responsive and kind. This book is a quick read, but you will keep coming back for depth. He speaks to thousands of people, receives mail from all over the world and helps many people with their troubles on their heart. He has helped me in my faith quest and opened my heart to focus on the only thing that Jesus ever said was important, LOVE. Love in all its form is the way back home. UPDATE*** 8/2/2015 Since the time I first discovered this book I have studied its sayings everyday like one on a mission. I began walking in Jesus footsteps through this book and Jesus words in the New Testament and I contacted Mr. Hodgetts through his website; which he welcomes with open arms.
