The Spy On Noah S Ark And Other Bible Stories From The Inside Out

Synopsis

Bible stories take on new life with this collection of eyewitness accounts from surprise sources: a dove, a lion, a stallion, and more. Using the ancient and imaginative art of storytelling, this book will delight children of all ages and beg to be read aloud. Adults will also enjoy these stories, and can use them to enrich personal and group Bible study. Discussion questions for children and adults are included at the end of each story, making it the perfect book for a church On the Same Page reading group or other intergenerational program.

Customer Reviews

Did not seem appropriate for the age of the person I was purchasing for - 9. I do not remember if the sales material indicated suggested age groups.

I bought The Spy on Noah's Ark because it was written by Lindsay Hardin Freeman. In Freeman's The Scarlet Cord, Conversations With God's Chosen Women I actually feel I am present in the heroines stories as told in the Bible. The Spy On Noah's Ark is written in the same brilliant writing style but in a childlike way. The animals and creative story tellers weave you into the children's bible stories and transform you into their journey. Whether young or old The Spy on Noah's Ark will soon become a family favorite and create lasting memories.

I thought the book was good but I bought it for a 7 year old boy thinking it was a story he could read so that disappointed me. It would have helped to know what age group it was written for and to be

able to see a sample of the book. It is good for older children.
