I have been doing Bible Studies for twenty five years and this is one I would recommend to every woman. If you struggle with insecurity, doubt, feeling worthless, feeling like you have made mistakes beyond the grace of God, this is a study that will remind you of the deep love God.

Gives history background and story of Hosea Jennifer does an amazing job making the story of Hosea your own story between you and God. This study is ultimately about being compete and secure in Gods love then in other gods or idols. If your struggling with idols and believing in Gods love that he has for you i would highly recommend this

Extensive study of the book of Hosea in the Bible. Daily homework and outlines included for video sessions.

I loved this book. Some women from church and I did this study and it was very eye opening.

This is a good study for both new Christians and seasoned Christians as well. Easy to understand. Jennifer brings up some good points that we had not thought about before.

This is an awesome study - facilitated it with over 120 ladies this past winter (2016). Everyone loved it...Jennifer is incredible. What a gift she has!

So far Jennifer Rothschild does not disappoint. She keeps the story of Hosea and Gomer alive a fresh with reality of today's times. She also helps up to delve deeper into God's word. If you haven't gotten this yet, what are you waiting for?

Eye-opening study of Hosea. Our small group loved it! I encourage all facilitators to use the extra weekly "gift" suggestions in the back. Fun and the ladies loved them. Another great study from Jennifer Rothschild. You are loved, accepted, and complete, Gomer-girls ;)
