Customer Reviews

I love how easy it is to get to a particular book, chapter, and verse with this ebook! Even better, from a verse you can quickly get back to the Table of Contents to go to another verse in a different Bible book, or go to another chapter in the book without going to the Table of Contents. I have purchased three other KJV eBibles in the past, but now this one is the only one I will use. I am very happy with its ease of use.

Very good app, I'm glad it's available. The word search feature is very nice, I don't have to stop reading, look at another bible version or dictionary for words I don't know what it mean. I've downloaded several bibles, this one is my favorite.

The best I have found and you can't beat the price. You can leave notes as well as bookmarks give it a try.

The VerseSearch feature is mis-leading in that it is little more than a search using the Table of Contents. Some slight advantage but not as much as the VerseSearch name implies.

This is a great tool to make Bible study easier. It is red letter so that the words of Jesus are easily identified. The extra help for looking up verse references is great.

Of all the KJV Kindle Bibles out there this one must be one of the best. Its major advantage is that a range of links appear at the beginning of each chapter rather than just each book each chapter gives: OT, PS, NT, CH, BK, 10, 20, etc. CH is previous chapter, BK is back where you came from , 10 and 20 etc gives forward 10 verses, it also includes an option to directly type in book abreveation I have not seen any other Bible or program as easy to use as this one. for study and looking up multiple verses it cannot be beat. many thanks for the creators of this one.

I rated it five stars because it's very very good I use it every Sunday in church and it was very easy to download and I use it everyday with my Bible devotions in the morning

I'm a person that owns and reads NIV, NLT and a Scofield version of the bible...I really enjoy reading this on my Kindle. It's simply a wonderful way to spend quality time with GOD daily!
