Customer Reviews

I really enjoyed this book! The story is very interesting and yet simple enough for my kids to fully understand. The combination of English and Hebrew is a nice, unique touch! The illustrations are fantastic as well!

I love the Shira series. This is a modern, beautiful book that is perfect for my kindergartener. As a parent, I enjoy the use of Hebrew and English that will help introduce Jewish concepts. Can't wait to get more books in the series.

Perfect for preschool.
