# Violet Mackerel's Possible Friend

## Synopsis

The charming Violet Mackerel must overcome self-doubt to make a new friend in this fifth illustrated chapter book of a delightful series. Violet Mackerel hopes and hopes that her new next door neighbor, Rose, might turn out to be a very good friend. But even after a nice morning at Rose's house, Violet still has quite a few worrying thoughts. Is she too messy for Rose's tidy family? Will Rose be disappointed that the ice in Violet's house comes from a plastic tray instead of a special box with fancy tongs? Will Violet wear the wrong sort of costume to Rose's flower-themed birthday party? And what if the present Violet brings is a good bit smaller than the other presents? Luckily a helpful older sister, a big imagination, and a particularly brilliant idea just might turn Violet's possible very good friend into a definite one.>

## Customer Reviews

I loved the book and the rest of the books I have read two books and I loved it right away. I'm going to read the whole series now I'm happy with the book. If you like this book read Junie B. You will love the series

I read Violet Mackerel books to my children, and we always enjoy them. I had to return this one, however, because I couldn't get it to work on my kindle, which was frustrating. It was a good book, we ended up reading it from the library. Cute story about Violet comparing herself and her family with her new friend.

I have enjoyed reading several from this series. They teach inspiring lessons for my daughter, and I enjoy reading them with her.
