Customer Reviews

I haven't been introduced to the books of the lady Rockwells yet, but after this one I cannot wait to get a stack of others. (It appears this one was published in hardcover in 2011) This is a fabulous and reassuring story with preparations for a new school year. It is culturally diverse and full of friends. The illustrations are wonderful and there is plenty for discussion in these pages. Thanks to HC.

Wonderful book for children starting K or 1st grade. Great illustrations.

Good book!

Love it!!!
