Walt Disney Uncle Scrooge And Donald Duck: "Treasure Under Glass": The Don Rosa Library Vol. 3 (The Don Rosa Library)

Synopsis

In the latest volume of Don Rosa's Duck stories, Uncle Scrooge and the gang have undersea adventures. When sharks and pirates block Scrooge McDuck from the mother of all treasure maps, only noisy nephew Donald can break the impasse ... or can he? It's Fantagraphics's third complete, chronological book of Duck epics by Don Rosa following in the footsteps of Disney legend Carl Barks with his own stunning, seaworthy style! Standout stories in this latest Scrooge and Donald volume include "Treasure Under Glass": a tale of ships, scoundrels, and the world's biggest diving bell! Then "War of the Wendigo" pits Scrooge and the Peeweegah Indians against a piggish profiteer while in "Return to Xanadu," a quest for Kublai Khan's gold leads the Ducks back to Carl Barks' lost world of ... ah, but that would be telling! Presented with brilliant color and a treasure trove of Rosa's cover art and behind-the-scenes factoids, these Duckburg epics are getting a definitive, comprehensive North American edition for the very first time at a bargain price worthy of Scrooge himself! Full-color illustrations throughout

Customer Reviews

It really is just such a treat to be getting these new volumes collecting Don Rosa's work (And at the same time that we're also getting new volumes for Barks' work as well!). While various stories could be found, some of it was harder to find than others, especially collected in such a nice format. The real treat is then actually getting commentary from Don Rosa himself at the back of each

volume, for every single story! I don't know if i've reviewed the previous two volumes, but if you've read them you know what to expect. For this volume, i'll say that it's not my favorite that has been released so far, but every story within it is still good. In fact, one of the stories in here is one of the best stories Rosa ever wrote in my opinion. I'll try to be brief in my reviews for each story, so as not to spoil it for anyone who hasn't read them yet.

The Master Landscapist- Rosa calls it the "brittle-mastery of Donald Duck syndrome", where Donald is suddenly revealed to be an expert at something, through which he starts a new business for. At first things go well and we see that Donald really does have talent, but eventually, typically due to his own arrogance, he screws things up for himself and ends the story without a job once again. This time around, as the story's title specifies, he's a landscapist. There's really not much to this story. It's only 10 pages, so there's no grand adventure, but you get to see Donald actually showing off his skills, which is always nice to see in my opinion, followed by some really funny moments as he messes up.

On Stolen Time- Gyro Gearloose invents a watch that can stop time and the Beagle Boys get their hands on it. Naturally, they immediately begin raiding the Money Bin.
