Grade Level: Kindergarten - 3

Customer Reviews

Bought this because we live on a farm, and the grandson loves animals. He likes the Berenstain Bears series anyway, so it was a no brainer! We enjoyed it, and he is able to read it himself when he wants.

This was a fabulous children's book to help explain how a farm runs! It is a Berenstain Bears book, however they aren't really the main characters only referred to them a few times which wasn't bad either. But if you are looking for a 'true' Berenstain Bear's book this isn't it. However, they do go and visit their neighbor Farmer and Mrs. Ben. Mr Ben help explain how the farm works and what all is involved with a farm. Personlly we live on a farm and Stan & Jan Berenstain did a wonderful job with this book to help explain to children in a nice way about farms and the animals there. Truly a great book

Another Berenstain Book in an easy to read format. My kids love the well drawn pictures which entices them to want to read more.

I have too many of these books to review each one, but this one seemed to really stand out with my grandkids. They just loved it and the lesson was excellent.
