Customer Reviews

Bought this to have a project to do with our grandchildren. We are all excited to try the "hot dog mummy." So many great ideas for fun projects to do together. Very, very happy with our purchase.

This worked very well on my boss, some family members and a few clients. Perfect mummification - no zombie walking at all. Kids use it on their teachers as well. So far so good.

Great!

I purchased this book as a Christmas present for my son, with guaranteed delivery by Christmas. We received the book on January 23, 2014. By this time we had purchased the book elsewhere. This was a huge let down.
