## Customer Reviews

Simba the Spy is the first of three books in the Kids Mystery Spies Series by the best-selling children's book author Tara Star. It is a wonderful adventure book for kids of all ages - one of the best bedtime stories that will surely be enjoyed by kids. The colorful and attractive illustrations add greatly to the quality of the book and will be appreciated by children. All in all, a very well written and humorous book for kids. Highly recommend!

Another delightful story about Simba, the Jack Russell puppy that lives in Glasgow. In this one, Simba's Mommy tells him to stay home and guard the house while she goes shopping. Simba does not follow directions well and decides to watch what she does. He becomes a special agent appointed by the cat police officer for a heroic job! Also, had a good laugh when Simba was staring 'longingly at the toilet bowl'. Outstanding glimpse into the life of a puppy...Most highly recommended.

This book has a very amazing and very interesting story. It is about Simba, the spy dog. Tara Star made a very enjoyable book to read for your kids. My niece and her friend have a very fun time reading this one. If you have some dogs at your home as your pets, you will enjoy reading this one. I would definitely recommend this book to you and for your kids too of course.

this was a great book . I thought that it would be boring but boy was I wrong. My favorite part was when simba attack the guy who was trying to rob his owner. I can not wait to read the next book . I am going to recommend this book to ALL my friends.

I enjoyed the story lines and plot as well as the colorful pictures!! found it hard to set this ebook down once I had begun reading it. For these reasons I feel that this ebook deserves a five starrating. I recommend this ebook for young kids and up who loves to read dog stories whether long or short. This was a clean reads and short ebook with some suspense in it. I received this ebook for free and in exchange I have given it an honest review. Great job Tara! By Angela

Dear Tera Star, I really like your book it is very good and very well thought out next time if I read this book I will think about my dog Stella. Even though I liked this book Ok thought it was not an older kid book I thought it was going to be a little more challenging but it is really just a little kid book. I hope you enjoyed my review! Love, Lucy

It was cool that the dog talked and that he helped his mom. My 8 yr old son is telling me what to type. He and I read it aloud together.

Ok so I rarely rate books but this one was awesome it was kind blowing. I liked the part where he was spying on his mummy
