This book was great. I'm so glad these books are coming out so fast the writing itself is incredible my i absolutely i liked it a lot and would recommend this book to minecraft fans who want a good story. love your books, as good and everybody would read it.

The Minecraft is a really interesting game. I am actually addict of it. This book is a diary of Minecraft girls. This book has both the entertainment and information as well. I enjoyed my time while reading this book and got useful information and guidelines. I recommend this book to all Minecraft addicts. :)

I was expecting this to be a book about a minecraft adventure but after scanning it it has nothing to do with minecraft at all. Maybe I was just lured in by the cover....This was supposed to be for my daughter who loves minecraft but it is not relevant at all.

My 10 year old daughter s obsessed with Minecraft AND writing, a perfect match!
