Children's Books > Science Fiction & Fantasy > Fantasy & Magic

Age Range: 10 - 14 years

Grade Level: 5 - 6

## Customer Reviews

All right. I will admit that I actually forgot that THE DEMIGOD FILES was coming out in February. I had added it to my wish list some time ago, and since I was in the bookstore today poking around, I was insanely happy and surprised to find it on the shelf. And of course I snatched it up. And then finished reading it a couple hours later. At first, reading the back, and then flipping through I thought that the book was going to contain stuff that I had already read from the previous PERCY JACKSON AND THE OLYMPIANS books, but I was even happier to discover that everything in the book was new: everything from maps, to "interviews" with the characters, to profiles of main characters, a sneak peek at the last PERCY JACKSON book: THE LAST OLYMPIAN, and the three wonderful short stories about Percy Jackson & Co. that really end up being the highlight of this

offering from Rick Riordan. The interviews are somewhat funny and have some interesting little tidbits -- and I'm sure Riordan had a blast working out the different questions to go along with each character interviewed: the Stoll Brothers, Annabeth, Percy, and a couple others. And the map was great to analyze to -- It was interesting to see where Riordan puts things versus the image in my own mind. Also of interest are the full color pages that have sparsely-detailed profiles of the main characters. They're nice looking -- but stuck oddly in the middle of the last of the three shorts, which I'll get to those in a second. There's also a crossword puzzle and a word search, containing facts and tidbits from the books. (The answers to both are just a couple of pages later, so don't feel too frustrated if you can't figure them out.
