This was a really good book. I'm glad I read it. It tells you stories from around the world. You might recognize some of these stories: The Musicians of Bremen, Puss in Boots and The Four Brothers. Other stories were completely new to me, like The Magic Doll, Buried Treasure, and How the Turtle Got Its Shell. Stories are from Austrailia, Italy, Scandinavia, India, Mexico, Germany, New Zealand, Persia, Greece, France, South America, Holland, Morocco, Czech Republic, China, Spain, Africa, Russia, Britain, North America, Japan Cambodia. The stories are short and easy to read. Very Good Book!

Good bedtime reading....Planting seeds for pleasant dreams....Instrumental in establishing conversation starters...

My kids really love the stories in this book. Stories from other lands gives a robustness to children's understanding of fairy tales and an appreciation for many cultures.
