Feasting On The Gospels--John, Volume 1: A Feasting On The Word Commentary

Synopsis

Feasting on the Gospels follows up on the success of the Feasting on the Word series with all new material on the most prominent and preached-on New Testament books, the four Gospels. With contributions from a diverse and respected group of scholars and pastors, Feasting on the Gospels covers every single passage in the Gospels, making it suitable for both lectionary and nonlectionary use. Moreover, these volumes incorporate the unique format of Feasting on the Word, with four perspectives for preachers to choose from for each Gospel passage: theological, pastoral, exegetical, and homiletical.

Customer Reviews

I don't know how any preaching minister can get along without the Feasting on the Gospels and Feasting on the Word books. I am a recent seminary graduate, and I know that these books help me immensely. I bought the Kindle books because I can carry the entire collection in one place. If you are a minister/pastor/priest/ or a committed and â ¸serious layman or laywoman, you should own this set.

This is an excellent resource for understanding the gospels or for food for thought for clergy writing sermons our guiding bible studies. I have found the four perspectives to offer various and distinct views. I recommend this to clergy and others studying this or other gospels.

A resource every leader needs to have in their personal library.

These are the best commentaries on the market today.
