Collins Children's World Map

Synopsis

This highly illustrated pictorial map is designed to take children on a journey of discovery around the countries of the world. The mapping is clear, colorful, and highly informative, and shows countries and capital cities. Stunning illustrations are used to depict themes such as national emblems, customs, food, birds, animals, buildings, and sports to help younger readers gain an understanding of peoples around the world.

Customer Reviews

I bought this map to use in my preschool classroom and the kids love it! I got it laminated at Staples and will be using it for many years to come.

Good map for preschoolers and older to learn about the world. Mixture of animals some landmarks.
