Bible B.A.B.E.s: The Inside Dish On Divine Divas (B.A.B.E. Book)

Synopsis

Young people learn by example. They actively look for advice from others who have been in the same shoes. Well, who better to seek advice from than the B.A.B.E.s of the Bible—real women who encountered God in a variety of ways and whose stories are applicable to girls even today? Andrea Stephens, in her fun-loving style, shares the in-depth dish on the life and times of seven Old Testament women who were beautiful, accepted, blessed, and eternally significant in their world. As girls get to know these women, they'll find applicable lessons for their own lives, gain insight into God's character, and be encouraged to write their own story about the kind of woman they want to be. Bible verses, reflection questions, and short prayers make this book perfect for personal quiet time as well as girls' Bible studies and retreats. About the series: The B.A.B.E. books teach girls that true significance is not about their hips or their hairdos, but about their hearts—hearts that are beautiful, accepted, blessed, and eternally significant.

The youth girls really enjoyed this study. It really hit the key points in women's lives that need to be touched on.

I used this book with my preteen girls Sunday School class, and made my own lessons based on it. It was wonderful and we all learned a lot!!
