Pearls Of Wisdom: In-home Bible Study For Teens

Synopsis

Josh D. McDowell, author and speaker, says, "Pearls of Wisdom examines some of the most familiar and well-loved passages in the Bible. My friend, Mary Love Eyster, and her daughter, Weety Vickery, draw on years of teaching and life experience to share their wisdom. I would encourage you to use this study guide as a tool to teach teens how to apply these Scriptural principles to everyday life!"

The authors, Mary Love Eyster and Weety Vickery, preface the "Pearls of Wisdom" with these words: "The aim of this book is to acquaint you in-depth with some of the most familiar and best loved passages in the Bible. We pray that you will be inspired to make wise choices by the book of Proverbs. As you study the Scriptures with your friends, we pray that this will create positive peer pressure during these crucial growing up years. The home setting gives an atmosphere of informality, which makes it easy for you to share with each other. Nothing seems to bring friends closer than studying God's word together. We pray that God's 'pearls' become the most precious jewels in your life!"
