Customer Reviews

Just what I expected. I had some of these books growing up and loved them. I wanted more for my children to enjoy and learn from.

Would recommend for children, teens and adults. It teaches and explains one of the Lord's parables and encourages one in the hope and promise of salvation.

Great series.

These books are our favorite! The kids love picking out what Bible Story we are going to read! It's nice to take one of two along instead of having a big book with a lot of different stories in it!
