Conflict Of The Ages: The Complete Series

Synopsis

This key Seventh Day Adventist text explains in detail the SDA understanding of the conflict between God and Satan and their understanding of the Bible and much of world history. White wrote the series based on her research of other authors and special information which she claimed to receive through visions from God. The books thus include unique insights and concepts not found in other works of the time.

Customer Reviews

This book, actually 5 books in one, gives the entire story of redemption starting with before creation and ending with the return of our Savior. Presentation is very readable and worth the time to read.

Well written... Easy to understand... Sound guidance...Nice to have altogether under the single heading/title. Contents allows for easy access to the chapter you want.

Rather big and hard to handle, not the sellers fault, just the way it is. I do like having all the books together.

Largely a history of the bible & the Christian Church; from the 7th Day-Adventists point of view. Vary insightful material.

Great read. Inspired information. Explains a lot of the background stories in the Bible. Would recommend it to anyone.

I really like this book. Even though it was written about 100 years ago the wisdom applies today
