## **Customer Reviews**

My wife loves this devotional and was moved to bless another woman with the book. Even though she blessed the sister with the it, she missed the book. It had become such a part of each day to her. She was elated when I gave her the new one. daily practical, godly principles to live by.

This book has encouraged me to read more scripture about God's promises for women. I will definitely be reading it over and over and more like it.

I enjoy this very much, it just gets a bit lengthy and I like short and to the point of the conversation. Other than that it's a good book!

The scriptures in this book are all very positive and helpful.
