"For those who loves quotations, this book is an essential." I discovered Oswald Chambers bestselling classic devotional *My Utmost For His Highest* several years ago and it remains my go to devotional for spiritual insight and wisdom. I teach a bible study for women and each member of the class is given a copy of *My Utmost*. I consider it a handbook of short instruction. Wise beyond many I've read, the quotes you find in this collection compiled and edited by David McCasland provokes your thoughts and illuminates many of the scriptures with Chambers' straight-to-the-heart-of-the-matter style. *The Quotable Oswald Chambers* begins with a brief biography of Oswald Chambers with delightful little known tidbits such as being known as 'the apostle of the haphazard' because of his repeated emphasis on the importance of what seemed to be random events of life. The content that follows is alphabetically arranged by subject and includes an Annotated Bibliography, Scripture Index and Subject Index at the end. You can read through it page by page or go directly to the subject or scripture passage. As an incredible bonus, this book includes a searchable CD of all the classic quotes contained in the book along with the complete, searchable text of the King James Version of the Bible, giving you even greater access to one of the twentieth century's great Bible commentators. I recommend this book highly for anyone who loves

quotations. It is perfect for quick reference. An essential for any Church or personal library. There are some books I would pay a great price to own. This is one of them. Reviewed by: Keiki Hendrix

I have enjoyed this book tremendously. Oswald Chambers was a holy man, and his work will help any Christian grow in their walk with the Lord. It is separated by category of topic - for example: prayer, motivation, self-denial - and that is helpful to just skim through it on occasion. The short quotes are nice to be able to read a small portion to meditate on at a time. Also, I did not know this before I bought the book, but he does mainly use the RV version of the Bible versus the KJV.

The Quotable Oswald Chambers is a wonderful collection of quotes by Oswald Chambers. I love the fact they're all compiled in one book. The only drawback for me is that, personally, I would have liked to see more short quotes (1 or 2 sentences). Other than that, I think it's a great book and the price is right. I would definitely recommend it to any fan of Oswald Chambers!

This is an absolutely WONDERFUL book of inspiring and thoughtful insights from the life and mind of the well known devotionalist, Oswald Chambers. My wife discovered this book and gifted it to me and to a mutual Christian friend as well. It is truly a treasure of quotable thoughts, many of which can be used as a meditation on spiritual reality and how to live an overcoming life. Chambers thoughts on "Character" and "Call of God", or on "Simplicity", and "Responsibility" are worth the price of the book alone/ - There is a very wide range of subjects matter that is covered, ... and nearly every quote is a gem of insight and challenging to the reader to "go higher and deeper" in the pursuit and knowledge of GOD. I would recommend this book to all serious minded Christians and especially teachers and preachers. It is a treasure-drove from the mind of one of the great Christians of the 20th Century.

Oswald Chambers isn't for the faint-of-heart. Many of his quotes included in this book are hard to take, as Chambers presents a higher standard for Christ-followers than most classic writers.

Quotes packed full of Wisdom; thought provoking, reaching out to touch the fingertips of God! The stuff to build steps for me and a bridge to others! Norma

An accessible collection of Chambers' insights arranged by topic. A worthy addition to my

Chambers' library. I strongly recommend this volume.
