Customer Reviews

I've been waiting to write a review until I had something to say. I loved Negan in this issue. The exchanges between him, alpha, and beta are great and reveal a bit about Negan as a person. We get a hint that he had someone before everything, and I can't wait to get more of his back story. I also don't really know what Negan is up to. Does he want revenge on Rick? Does he want to go back to how he was before prison? This Whisperers War is going to be interesting with a lot of casualties, no Rick, no!

Man Kirkmam! Keep throwing us curve balls! I'm loving it! In case you live under a rock and do not know what The Walking Dead is about, it is a comic not just about a zombie apocalypse but more about how the loss of civilization, family, having to fight every day for survival and dealing with a changed world affects and changes people's moral compass and their very character. It is an AMAZING read every month!

Such an awesome issue from the first page to the last. No sight of Rick as it focused on Negan and his encounters with the whisperers I will not spoil anything but Negan absolutely steals the show in this issue now more than ever in my own opinion.

The cover doesn't do this issue ANY justice. I wasn't expecting anything that took place. Thank you again for keeping me on the edge of my seat. Until next month.

Kirkman still has some surprises left. Excited to see where things are going after this. Highly recommend this issue and the series in general

Loved the interaction with Negan and Alpha. I truly thought they had chemistry until The end. I cannot wait to see the fallout in the next issue

What can I say.. it's the WALKING DEAD!!! Amazing in every way and what an ending! Great writing Kirkman! Loved it!

Its all about Negan, plus we get some insight into his past. One of the better issues in my opinion.
