Good reader, few markings, met my expectations. It was a great tool for homeschooling my first grader. I would recommend it to other homeschool parents.

I like houghton mifflin. I used it for many years. It is bright and colorful for the kids and very user friendly for the teacher.

My child loves this book. The vocabulary is about 2nd grade not 1.5 grade though.

love this book! It is exactly what I was looking for! I will be buying others in the set!
