ComicWorm Speaks! Blackest Night: Tales of the Corps by Geoff Johns, Peter J. Tomasi, and Sterling Gates Acquired: Barnes & Noble Series: Blackest Night Paperback: 176 Pages Publisher: DC Comics **** The Story: In this 3-issue miniseries, the secrets behind the Lanterns of BLACKEST NIGHT are revealed! Bear witness to Blue Lantern Saint Walker's pilgrimage of hope, Star Sapphire Carol Ferris' sacrifice for love, Green Lantern Kilowog's courageous beginnings, Red Lantern Vice's source of rage, Orange Lantern Blume's bizarre creation, and the first appearance of the mysterious Indigo, leader of the Indigo Tribe! Written by Blackest Night author Geoff Johns and fan favorite Pete Tomasi, BLACKEST NIGHT: TALES OF THE CORPS is an essential part of the Blackest Night storyline. The Review: Green Lantern is one of Bookwormâ™s Favorite Superheroes, and thanks in large part to the Green Lantern Animated Series, he has begun to devour the mythology as is

standard procedure when something sparks his interest. So this volume was an immediate candidate for purchase and it delivers. Like a lot of anthologies, this volume is a bit of a mixed bag. Some of the stories are good, some are bad, and some are just mediocre. This is illustrated by the selections made for the Green Lantern stories. The tale of Kilowog is excellent and little bit funny too. It tells the story of Kilowog's training when he first became a Green Lantern. No spoilers but it tells the reader the power of Will and does so excellently. The next one is the story of Arisia and her recruitment. This is a very sweet tale but it is not much else. It leaves more questions than answers.
