# Your Magnificent Chooser

## Synopsis

We all have choices to make every day, even the youngest children. The choices we make play a large part in forming who we grow to be as adults. For kids, those choices can include whether to be obedient or disobedient, to share or be selfish, to have a good attitude or not, and more. John Ortberg addresses the ability to choose in a whimsical way by inviting children to use their "magnificent chooser" that God gave them to make right choices daily. Parents will love reading this book to their kids, and kids will enjoy the content while learning lessons that will stay with them throughout their lives.
