Customer Reviews

This was my first yaoi purchase pretty much ever, so I was a little nervous about what I was getting. Was it hardcore and no plot or softcore with a heavy plot? I was pleasantly surprised to find a nice balance between the two when I opened the cover of "Crimson Spell." Ayano Yamane has a gift when it comes to drawing gorgeous men, especially so in the case of Prince Vald (earlier versions print his name as "Bald," but I believe this has since been corrected) and Halvir the wizard, or Havi, for short. The plot is simplistic at first, deepening as the two men find themselves growing closer and closer, though not in the way one expects. Prince Vald's curse forces him to turn into a monster, and the beast is only appeased through bloodshed or, you guessed it, sexual gratification (because this wouldn't be a yaoi otherwise).
