Customer Reviews

It's a great book for kids that teaches about good sportsmanship. When the chips are down kids should never isolate themselves from their friends. There's so much to learn and enjoy from a good baseball story, I give it five stars, and I'm Marvin P. Ferguson, author of Boys On The Gold Coast.

Great series for 1st and 2nd grade boys!

My grandson loved it.

Easy to read. Great book for younger readers. Great positive outlook. Look forward to the series from sports illustrated. Not too long for a bed time story.
