# Do Better With Asana: Your Guide To Doing Great Things With Asana

A step-by-step guide for the how and why of Asana so that you and your team can do better

Mike VARDY & Jeremy ROBERTS

## **Synopsis**

Asana's versatility may leave you wondering what you should do next, or what the best way to setup your projects and tags are, or if you should be using projects, workspaces, or an organization! Do Better With Asana is designed with you in mind. Through detailed walkthroughs, accompanied with solid productivity methodologies (and the reasons behind them), you will quickly become more efficient and thorough in all areas of your life – career, home life, hobbies and more! Everything can be quickly and easily managed using Asana, and Do Better With Asana is your key to unlocking your true potential.

## **Customer Reviews**

Great introductory guide for using Asana. The authors present a variety of ways to use the app without "forcing" you to do it their way. I had been using Asana for a couple years before getting this book and still found it extremely useful.

Very nice guide to using the Asana application. I have used Asana since its inception and still found this guide very helpful - especially to for friends and colleagues who are new to the app.

This task management guide takes a look at Asana from virtually every angle and provides great task management tips for all levels of user interface.
