The Hostile Hospital (A Series Of Unfortunate Events #8)

Synopsis

The Baudelaires need a safe place to stay - somewhere far away from terrible villains and local police. A quiet refuge where misfortune never visits. Might Heimlich Hospital be just the place? In Lemony Snicket's eighth ghastly instalment in A Series of Unfortunate Events, I'm sorry to say that the Baudelaire Orphans will spend time in a hospital where they risk encountering a misleading newspaper headline, unnecessary surgery, an intercom system, anesthesia, heart-shaped balloons, and some very startling news about a fire. Ages 10+

Customer Reviews

In the eighth book of the Series of Unfortunate Events, what else can be expected but woe and mystery? Due to some extremely incorrect publishing in a newspaper, the whole world now believes that the Baudelaire orphans are dangerous murders. However, nothing could be further from the truth since Klaus, Violet and Sunny are no less murders than you or me. Taking refuge in a hospital, the orphans are forced to disguise them selves as V.F.D's (Volunteers Fighting Disease)! Of course, wherever the orphans go, Count Olaf follows and this time he has devised another disastrous scheme. As I thoroughly enjoyed all the other books in the Series of Unfortunate Events, I enjoyed this book just as much. All of Lemony Snicket's books seem to follow a certain format, orphans find

a new home (and when Mr. Poe is there he hardly stays to say hello to the orphan's unfortunate guardian,) Count Olaf makes his stinking appearance, none of the adults can see through Count Olaf's stupid disguise and the Baudelaires are forced to get out of their dilemma on their own. I hear this book contains 'misleading newspaper headlines, unnecessary surgery, an intercom system, anaesthesia, heart-shaped balloons, and some very startling news about such things,' as Mr. Snicket so kindly put it. As well as telling the woeful tale of the Baudelaire orphans, Lemony Snicket slowly is revealing his own life's tale. Such as how his dearly beloved Beatrice died, something horrible that still makes him cry at night about Count Olaf, and something I am dying to know about, the mysterious Jacques Snicket who was killed in 'The Vile Village'. As well as the mysterious V.F.D, and whether the Baudelaire orphans will ever see the Quagmire triplets again!
