This contains a lot more writings than expected. Happy with purchase. One tip- at first glance there does not appear to be a Table of Contents- but there is one. You will find it right behind the cover.

I rejoice at reading about Smith Wigglesworth, his ministry is awesome. I like reading about the

healings that happened when he prayed for the people. God use Wigglesworth, and he was willing to be used by God. If I could only have the faith that Mr, Wigglesworth had. This would be a better world..

I love reading about Smith Wigglesworth, I want my spiritual life to grow like the great ones and so learning about them will help do that.

I recommend this teaching to anyone that is willing to learn about the move of the spirit and how to operate in the gifts of the spirit

A great collection of Smith Wigglesworth's preachings and books. A testimony of God's power and love, and what it means to walk in Holy Spirit. We can also learn about the beginnings of pentecostal renewal in the church.

Inspirational and encouraging! I wished I had known him personally. We need more men like him whose childlike faith to believe and practice what Jesus taught and did. Here am I, Lord Jesus! Use me as you used Smith Wigglesworth! Great man of God!

This Man of God was Awesome. This book ministered to my spirit. I now call him my wonderful friend because his walk just confirms The Word OF GOD. I was a bit sad as I approached the 100 percent mark. Getting another book.
