Gentlemen's Agreement Between A Rabbit And A Wolf (Yaoi Manga)

Synopsis

Gentlemen's Agreement Between A Rabbit And A Wolf (Yaoi Manga) Co-workers Kai and Toga have an ongoing feud that makes them look like sworn enemies! But their snarling sarcasm barely conceals the fact that they're wild for one another. Can a lonely, lovelorn rabbit and a ravenous wolf learn to play nice or will they devour one another in a flurry of fur? Gentlemen's Agreement Between a Rabbit and a Wolf cuddles up with two beautiful, beastly men (and a host of others) for tales of playful seduction! Will a shy-and-quiet type take cover and suppress his animal urges? Or will the timid prey suddenly become the passionate hunter?

My first thought when I opened this file was "Wonderful! A vintage title!". Based on the art style I would have dated A Gentleman's Agreement Between a Rabbit and a Wolf about ten years older than it actually is, and that's a very good thing! The art is my number-one favorite thing about this overall very high quality manga, it reminded me (only visually!) of the work of my favorite mangaka, Mika Sadahiro. The composition is dynamic and well thought out, so each page moves beautifully. Also, the characters are all very different looking and individually recognizable, which I think we all

know can not be said nearly often enough when it comes to yaoi. The characters are expressive, too. Their emotions and motivations read not only on their faces but in body language too. Oh, and speaking of bodies, attention to physical detail is very present and anatomy is carefully and realistically rendered, right on down to the unusually, er, plausible endowment. The spicy scenes are very much so, and not in short supply. I was a very happy camper throughout. A Gentleman's Agreement is a series of one-shots, of which several follow the same couple. These characters are adorable. Between the Rabbit's aggression and the Wolf's responsiveness, these two's interactions never cool off, and despite the fact that this is a workplace story, it contains unusual elements such as furry fetishism and even a supernatural story! The perspective switches between the men and the relationship feels very fleshed out, though I must say there is no conflict to speak of. Sometimes that's okay. The other shots include a School Life story that deals with trauma, a very original and hot Yakuza story, and a lovely workplace story involving megane fetishism, science, and drugs! It's just really fabulous stuff.
