## Customer Reviews

Great ARCH book. I use these as a review for Bible lessons. The kids love the rhyming words.

These books are short, sweet, and to the point! Smaller than they may appear, no more than 10 pg, and paperback books. Great reads, kids love them, can read these to younger children but more for maybe like ages 6-10...

Wonderful books for teaching your children, grandchildren, or friends about the bible stories. The pictures are very colorful and attractive.

My sons were reading as soon as the books arrived. The content is interesting good for grade 1-3

with vivid pictures and good paper quality.
