Bibleman Bible

Synopsis

Kids love Bibleman because he's more than just a superhero - he's a hero for God. Introducing the official Bible of Bibleman. Armed with the Sword of the Spirit, the Breastplate of Righteousness, and the Helmet of Salvation, this caped Christian is on a serious mission - to introduce kids to the powerful message of Jesus Christ. The popular video series now has a companion Bible created especially for kids. The International Children's Bible is the featured text for this Bible which features full color photos from the Bibleman video series and live stage production, combined with comics and themed messages from Bibleman. Memory verses are also featured in the 32-page color section.

Finding a bible for my preschool son that he can grow into was tricky. Not quite reading and thus not quite ready for the New Adventure Bible, and yet growing out of the illustrated bible story books, this bible fills the void nicely. Do not be fooled by the photo inserts of stills from the Bibleman videos; the actual Bible itself is meaty in the Word and is written at a third grade level. It keeps my boy still enough to read him scripture. The notes are also impressive and I will admit to more than one occasion of dragging out my beloved NIV and my KJV bibles and comparing the translations. I have yet to be disappointed. The introduction also proved to be enlightening as it described their translation methodology. I was very impressed by the pedagogy to keep it relevant to a "Y2K" 8 year old's level along with it not being a paraphrase version (thank goodness). As a mom who wants the

Word to be part of our lives, a contemporary yet accurate version was just what we needed. It does more honor to the title "Bibleman" than the cute (albeit cheesy) videos do. I am glad it's filling a void!

My grandson has autism and so has trouble remembering stories. This Bible fits the bill. He loves Bibleman movies and really relates to the way this Bible is written. He reads it and remembers it and asks us lots of questions about the stories he reads. Great for starting dialogue about Jesus.

God has really used my copy of the Bibleman Bible in my life. I was a kid struggling with autism while I was yet to be diagnosed. I read another review stating that this Bible "fit the bill" for their child with autism. Well, the same goes for me! I cannot begin to tell you just how much that Bible meant to me. I mean, it had miniature comic books all throughout it which starred Bibleman as they taught valuable and good Christian messages. May we just let it be spread in this sort of way: Though I am an eighteen year old college freshman and this Bible is a Bible meant for little ones, I still use my Bibleman Bible to this very day. Actually, believe it or not, I am currently citing my Bibleman Bible in my final research paper for my college English course. So, yes! I recommend that you consider asking God if this Bible is meant for your child as it was for me. God bless, folks!

I actually bought 10 of these Bible man Bibles for my boys class at church. It is kid friendly and fun! It was shipped in just a few short days and the quality was very good.
